

## **Covid Plan 2021 for All Halloran Dance Locations**

- 1.** All students must have a mask with them. Please enter and exit the building with it on. They will not do the classes with them on.
- 2.** All students that have a mobile phone must have the Service NSW App on their phone and scan the barcode before entering the premises. Please show their phone to the teacher at the door before entering.
- 3.** Those students that do not have a phone must sign in at the door with the teacher. (The teacher will help very young ones with the signing in.)
- 4.** Hand Sanitiser will be provided and temperature checks as well.
- 5.** Students will be dancing at a safe distance to each other to maintain social distancing guidelines.
- 6.** Any child that is showing symptoms or is sick must stay home from dancing.
- 7.** Parents to drop off and pick up children. No parents allowed past the door at this point in time.

Thank you for following these instructions and keeping our kids dancing safely!
